Everything You Wish For and More at Greater New York Dental Meeting

by

NEW YORK — The largest, most comprehensive Dental Meeting in the United States offers this year everything you can wish for and more. In just 6 powerful days, you'll access all the latest technologies, resources and education you need to keep your dental practice current, competitive and rock-solid. Now more than ever before, it's critical to be a part of

your industry's main event.

The Greater New York Dental Meeting's exceptional education program is unlike any other Dental Meeting.

SomnoMed & Invisalign Expositions

For the first time ever, SomnoMed is partnering with the GNYDM to offer the first SomnoMed Academy Sleep and Appliance Exposition.

With an extremely advanced team of clinicians and staff from SomnoMed, attendees will have the chance to explore popular topics including Obstructive Sleep Apnea fundamentals, advanced oral appliances and therapy as well as how to implement dental sleep therapies into your practice over a four day period.

The Greater New York Dental Meeting (GNYDM) will again partner with Align Technology to present its four-day Invisalign Exposition. This diverse array of educational courses is taught by the seasoned team of Invisalign specialists. Dental professionals learn the logistics of tooth alignment including treatment for crowding cases and other orthodontic abnormalities.

With NO pre-registration fee for admission, the Greater New York Dental Meeting continues to be the largest healthcare and dental event in the United States attracting 58,135 attendees from all 50 states and 132 countries which included 19,431 dentists in 2010.

The exhibit floor and continuing education programs continue to be the centerpiece of this annual expansive Meeting. Organizers coordinate more than 300 full and half day seminars, essays and hands-on workshops. The enormous exhibit floor includes over 1,500 booths representing over 500 exhibiting companies showcasing the newest products and technology available in dentistry.

Courses in multiple languages

As the largest global Dental Event in the United States, the Greater New York Dental Meeting offers free multi-language courses in Portuguese, French and Spanish on a broad range of topics. New programs are always an addition and never a replacement as plans to further expand endeavors are already on their way with a free Italian and Russian program to be included in the mix.

When the work day is done, attendees always have a world of excitement at their fingertips. During the holiday season, New York is indeed a magical place to be, with the City dressed up in all its holiday finery, the festive spirit is evident citywide. Meeting attendees enjoy highly-acclaimed museums, Broadway theaters, restaurants, historical sites and stores lavishly decorated for the season.

Attendees may access the Greater New York Dental Meeting website for more information or to register for the event. Come be a part of the 87th Annual Greater New York Dental Meeting at the Jacob K. Javits Convention Center in New York City from Nov. 25 through Nov. 30.
