## Greater New York Dental Meeting 2014

### Location

Jacob K. Javits Convention Center  
New York, NY

### Details

Throughout the world, the Greater New York Dental Meeting (GNYDM) is considered the premier Dental event in the United States. Drawing upon approximately 1,500 technical exhibit booths and bringing together over 6,600 international attendees representing 127 countries, the Greater New York Dental Meeting is also considered the largest healthcare event in the United States. The GNYDM continues to offer programs in Italian, French, Portuguese, Russian and Spanish to accommodate international attendees. The GNYDM showcases the latest technological advances in the art and science of dentistry. The GNYDM is viewed as the crown jewel of dental meetings and has seen a spike in attendance over the past few years. It is unmatched for breadth and scope of subjects with a full congress program of conferences, seminars and workshops running concurrently with the exhibition hours for 5 days. The scientific educational congress features renowned clinicians from around the world who give presentations covering the latest scientific advances in the world of dentistry and healthcare. All of the programs give certificates at completion of the course including a certificate of attendance. Additionally, the GNYDM offers no pre-registration fee and no tuition fees for many of its programs. GNYDM offers large discounts for International Buyer Program (IBP) delegates on all the seminar and educational programs. IBP delegates receive free entrance to the exhibits.
