

Dear U.S. Exhibitor:

Thank you for choosing to exhibit at the 102nd Annual Greater New York Dental Meeting.

U.S. Exhibitors are eligible to be listed in the Export Directory, which has enhanced Exhibitors' marketing and export business success in the past.

This FREE program offers Exhibitors:

- A listing in our Export Interest Directory (distributed worldwide)

We are currently compiling a listing of our U.S. Exhibitors who have an interest in international business and wish to participate in this Program. The information you supply will be incorporated into our 2026 "Export Interest Directory", which will be distributed on-site to all overseas buyers, distributed and posted online year-round.

When thinking about your Company's possible role in this International Buyer Program, please consider that the Greater New York Dental Meeting also disseminates this information to government officials, import agents and distributors in over 150 countries worldwide.

To be included in the Export Interest Directory, your company must be an exhibitor at the 2026 GNYDM Annual Session. Your products and services included in this directory must be either:

1. Produced, manufactured or assembled in the U.S.A.
2. Contain no less than 51% U.S. content
3. Be marketed as a U.S. product

Please complete and return the attached Export Directory Participation form by no later than October 20, to be included in the printed version of the Export Interest Directory and be prepared to meet international buyers at the 2026 Greater New York Dental Meeting.

Sincerely,

A handwritten signature in cursive script, reading "Carla M. Borg".
