*Fill out if selected on page 1

What are Custom Qualifiers?
Custom qualifiers are a list of descriptors unique to your company to categorize your leads quickly and without the need to write notes.

Can a single lead have more than 1 qualifier?
Yes, qualifiers are presented as a list and multiple qualifiers can be selected. Using the list below a single lead could have both "Large Customer" as well as "Needs Demo" and "Send Literature" or any combination you like.

How many Custom Qualifiers can I submit?
You can submit up to 20 custom qualifiers. Each qualifier can be no longer than 20 characters (inclusive of spaces and punctuation), so abbreviate where possible. Qualifiers will be the same across all units in the order.

Standard qualifiers included with your lead service rentals are:
